

## **The Rose Family**

by Robert Frost

The rose is a rose,  
And was always a rose.  
But the theory now goes  
That the apple's a rose,  
And the pear is, and so's  
The plum, I suppose.  
The dear only know  
What will next prove a rose.  
You, of course, are a rose -  
But were always a rose.
